## Additional Property Information

Architecture Setting: Rural

Acreage: 13.1

### Site Description:

This site is landscaped with a manicured lawn and mature trees.

### Surveyor Assessment:

This property is a good example of a domestic property type during the Early National Period (1789-1830). It represents the typical characteristics associated with this property type in Loudoun County, Virginia during this period. The property lacks any associations with significant events or persons in our history, and does not possess sufficient architectural significance. Therefore, this resource does not appear to be eligible for the National Register under Criterion C. Because of the limited focus of this survey, this resource was not evaluated under Criteria A, B, or D.
