Date: Tuesday, December 31, 2013 3:50:00 PM

Hi Lori,

This letter serves to inform you that the above referenced application has been reviewed for minimum checklist submission compliance. The following material has not been provided or needs to be clarified before the application can be officially accepted for processing:

- Revise the Disclosure of Real Parties to include a C2 page and breakdown for the Randolph Rouse Trust. (This additional information needs to be submitted prior to Planning Commission Public Hearing.)
- Note 13 on the Plat states that an Endangered Species Evaluation was completed by WSSI. Please include a PDF of the study.
- Note 15 on the Plat states that an Environmental Site Assessment was completed by ECS. Please include a PDF of the study.
- Note 17 on the Plat states that a Wetland field study was completed by WSSI. Please include a PDF of the findings.
- Please submit 15 copies of photo simulations to be distributed with referrals as well as a pdf via email.
- Please revise the plats to include the assigned project numbers and submit 15 copies as well as a pdf via email.
- Please revise the soj to include the assigned project numbers and submit 15 copies as well as a pdf via email.

As always, please let me know if you have any additional questions or concerns. Happy New Year.

ginni
